PETERSON
PORTABLE SAWMILLS

ALL MILLS INCLUDE: 2 blades/chains, sharpener, safety & tools, jockey wheels and manual.

POWER RATINGS: 'Gross' is without muffler/filters, 'Net' is at output shaft including muffler/filters which take 10%-15% power.

'Cc' is cylinder volume, which decreases with more efficient motors.

JP - JUNIOR PETERSON (Mild steel, fixed low tracks, entry level)		Retail £ excluding vat
